# NUOVI LIDI

European Digital Skills and Jobs Platform  
Webinar #3 “Pledges for digital skills – your commitment to  
up- and re-skilling Europe!”

- WHO** A COLLABORATIVE PHILANTHROPIC INITIATIVE  
**5 Partners** from Business, University, Media and Citizens
- WHAT** LIDO MEANS A PHYSICAL PLACE  
where **Senior and Junior citizens** can meet to follow video  
lessons **by putting into practice** what they have learned through  
missions
- HOW** THE STRUCTURE OF A LIDO  
is made up of two sections.  
**A MOOC for Participants** and **an Handbook for  
the LIDO Organizers**
- TARGET** THE BENEFICIARY OF THE PROJECT ARE  
**Whichever wants to organise a LIDO**, such as Municipalities,  
Schools, Libraries or Parishes anywhere in the country;  
**Senior and Junior Citizens** who want to enrol in the LIDO

## VALUES

### THE STRENGTHS AND VALUES OF NUOVI LIDI

The educational format combines the advantages of **video-lessons on-line** with the benefit of attendance in presence plus **collaboration between generations** (learn by doing).  
A LIDO is global, inclusive and intergenerational

## WHERE WE ARE

### PROJECT AS IS 2023 LAUNCH

The Development of the **MOOC and the Handbook is completed**. (9 modules)  
**Launch of 40 LIDI** with 800 Junior and Senior Citizens trained  
(April 14)

## WHERE WE WANT TO BE

### 2024 ROLL OUT

**A National campaign** to propose the Nuovi LIDI project to Municipalities, limited schools and companies in order to **activate 135 LIDI all over Italy** and train 2700 citizens by 2024.  
Evidence from 2023 will allow us to formulate solid projection for 2024

THANK YOU
